# OUR PRESIDENTS

A message from Grand Worthy President Rick Powell  
& Grand Madam President Elaine Regi

**W**hat a year it's been! Since our Installation in Columbus last summer, we've both had the privilege of touring the jurisdiction and meeting so many of our great Eagle Brothers and Sisters.

We've seen the work you're doing firsthand and it brings us great pride to say we're going to be a Net Gain organization once again this year. All of your efforts have paid off and we look forward to celebrating at this year's Convention in Reno, Nevada.

In the pages of this Soar, you'll read more about this summer's Convention, our progress made in the fight to cure diabetes and how our charity efforts have been thus far. Thank you for reading and we look forward to seeing you down the Eagle trail!

***Fraternally,***

# Celebrating 125 Yea

From the Order of Good Things to one of North America's most storied charitable

Written by | Zack Timmons

This year, the Fraternal Order of Eagles celebrates 125 years of fun, friendship and philanthropy. Since that fateful February day in 1898 when six Seattle theater owners united to try to resolve a musicians' strike, the F.O.E. has grown into one of North America's leading fraternal organizations.

With more than 660,000 members in over 1,300 clubs across the United States and Canada, our presence is felt in communities everywhere. Even cities without an Aerie feel our presence through our founding of Mother's Day, the existence of Medi-

care, collection of Social Security, the end of old-age discrimination, our \$25 million Diabetes Research Center and the millions we give to research institutions every year.

Seattle's small "Order of Good Things" quickly expanded, adopting the bald Eagle as their emblem and changing their name to the Fraternal Order of Eagles.

Most early members were actors or stagehands, carrying the Eagles name and the spirit of fraternalism from town to town. The troupe would start a new Aerie during their

run, then leave the club behind for the locals to run before moving and repeating the process.

A decade into existence, the F.O.E. had nearly 2,000 Aeries and a membership of more than 350,000. In 1927, the first Ladies' Auxiliary started and on August 14, 1952, the Grand Auxiliary was officially established in Philadelphia, PA.

World War II saw the creation of the F.O.E. Memorial Foundation to protect the children of members who perished during the war. The foundation has since expanded to cover all members who die while on the job and benefits include medical, dental, vision, education and more.

The mid-50s saw the F.O.E. donate nearly 200 of the Ten Commandments monoliths to communities across America, many of which still stand to this day.

In 1959, the first F.O.E. Charity Funds were created for Cancer and Heart Disease. The Charity Foundation later expanded to include other funds, as well as our Fraternal Order of Eagles Diabetes Research Center at the University of Iowa (DRC).

The DRC began in 2008 as a \$25 million pledge to fund diabetes research and has since grown into a research juggernaut hosting more than 100 medical researchers and generating approximately \$700 million in additional research grants

and funding. The Eagles continue funding the DRC today through the Bridge to the Cure fund, which helps turn research breakthroughs into potentially viable medications which could be used to treat or eradicate diabetes.

In 1985, the F.O.E. became the first organization to donate more than \$1 million to St. Jude Children's Research Hospital in Memphis, Tenn., thanks to the organization's longstanding relationship with the hospital's founder, Danny Thomas.

The organization consolidated its operations to one location in 2002, with the opening of the Grand Aerie Headquarters in Grove City, Ohio.

The facility hosts the administrative staff for the Grand Aerie & Auxiliary, the Charity Foundation, the F.O.E. store and the Grand Tribunal.

Administrative costs are covered by annual membership dues, which allows the organization to give 100% of the nearly \$10 million raised annually to the folks who need our help the most.

From coast to coast, American communities have been bettered by the work done through the F.O.E. and we can't wait to see what kind of accomplishments the next 125 years of history bring!

#### ON PARADE

During the early to mid-1900s it was commonplace to see Eagles' Aeries with floats or mobiles in community parades, promoting our social work to pass Social Security and Medicare or simply honoring our dedicated officers and hardworking members.

## DIABETES RESEARCH CENTER

# SECOND ROUND OF

**O**n Feb. 13, 2023, the Fraternal Order of Eagles Charity Foundation Board formally approved two new Bridge to the Cure projects at the F.O.E. Diabetes Research Center.

Dr. Bing Li's project focuses on blocking the A-FABP protein that facilitates diabetes. Initial lab testing reversed the diabetes in four weeks. Dr. Li's Bridge to the Cure grant of \$175,000 will be used to help prove that the antibody is safe and effective for humans.

Dr. Ajit Vikram's project blocks the miR-122 molecule with a new molecule allowing the pancreas to produce more insulin and lowering blood glucose to normal levels. Dr. Vikram's Bridge grant for \$175,000

will be used to conduct additional lab testing.

Both new projects are ready to begin experimentation and have been approved by the Bridge to the Cure exploratory committee.

Additionally, Dr. Julian Sebag and Dr. Calvin Carter have been approved to receive their final \$175,000 grants, respectively.

Dr. Sebag's compound was found to be effective and non-toxic in the additional testing funded by the Fraternal Order of Eagles.

Dr. Carter's electromagnetic field study improved blood glucose and lowered insulin levels in lab testing. Safety trials begin in February with

# GRANTS AWARDED

the next phase of clinical trials being conducted to test efficacy. He also received the final \$175,000 of his grant to help finish his testing.

Each of these projects is monitored by the Bridge to the Cure Advisory Committee, which reports back to the Board of Grand Trustees with recommendations for funding.

Since the F.O.E. Diabetes Research Center project began in 2008, the Eagles initial donation of \$25 million has generated an additional \$657,479,086 in total research grants and awards.

The center now has 117 full-time faculty members, with more than 1,000 university researchers contributing

to advancements in diabetes research.

Thank you to all of our Eagles Brothers and Sisters throughout the jurisdiction who contributed to our initial round of funding and to our continued support through the Bridge to the Cure Project. With your help, the Fraternal Order of Eagles **WILL** make a difference!

The Lorain Eagles were originally instituted in 1903. Their original home building still stands in downtown Lorain with the original accoutrements and several beautiful carvings and sculptures showcasing the original number, 343.

The new Lorain Eagles hope to use that facility once again as they grow.

# EXPANDING OUR REACH

## Ohio institutes pair of new Aeries & Auxiliaries

Written by | Zack Timmons

Last October, we welcomed our two newest Aeries and Auxiliaries, both in the state of Ohio. Lorain #343 and Grove City #3620 both rebuilt to once again receive their charters and, leave a lasting impact on their communities.

On Saturday, October 29, many new applicants united with Grand Worthy President Rick Powell, Grand Madam President Elaine Regi and several Grand Aerie staff to institute in beautiful downtown Lorain.

After more than a year of work, Organizers Dennis Flores and Celeste Glick saw their efforts come to fruition as Wellington, OH #2051's Ritual Team performed the official ceremonies to institute, initiate new members and install the groups first set of officers.

The following day, our Eagle dignitaries and the Wellington Ritual Team traveled to Columbus Linden Aerie #2252 for the institution of Grove City #3620.

#### GROVE CITY, OH #3620

Grove City Eagles #3620 has been holding regular meetings and continue to initiate new and re-enrolled members as they operate out of the Grove City American Legion post. They have held several fundraising dinners and look forward to finding their own home in the near future.

Located in the home city of the Grand Aerie Headquarters, the Grove City Eagles was shuttered in 2016 before beginning the reorganization process in 2019. Due to the COVID pandemic, efforts to bring the club back were slowed, but interest picked back up as things re-opened, allowing organizers Jason Flowers, Jacky Masters and Suzi Phillips to hit their benchmarks for the Oct. 30, ceremony.

Both groups are currently in the process of getting the remainder of their charter candidates initiated and have been holding numerous events in the community to raise money in hopes of obtaining a permanent home in the near future. The pair brings the Grand Aerie to five new Aeries and six new

Auxiliaries in the last 18 months after the institutions of Jerry L. Sullivan Aerie & Auxiliary #4452 in Warrenton, Va., Lake Country Aerie & Auxiliary #4453 in South Hill, Va., Wytheville Aerie & Auxiliary #4454, and Altadena, Calif., Auxiliary #719.

Efforts to organize in Vienna, WV., Astor, Fla., Port Saint Lucie, Fla., and Louisa, Va., are currently underway.

For more information, contact the Grand Aerie Membership Department at [membership@foe.com](mailto:membership@foe.com) or via phone at 614-883-2212.

## 2023 NASCAR SEASON

Written by | Zack Timmons

The Fraternal Order of Eagles are headed back to NASCAR's premier series for the 2023 season. On April 23 in Talladega and May 7 in Kansas, the black-and-yellow Eagles scheme will take the track on the #7 Chevrolet of Corey LaJoie for Spire Motorsports.

The F.O.E. will be featured throughout the season as an associate sponsor for the Spire Motorsports team of LaJoie and #77 Ty Dillon. Additionally, the Eagles will continue their partnership with Justin Haley, driver of the #31 Kaulig Racing Chevrolet, as a personal sponsor, with the F.O.E.

Racing logo on Justin's suit for the duration of the season.

Both Haley and LaJoie will be in attendance at the 2023 International Convention in Reno to sign autographs and take pictures with members.

**Follow along throughout the season on our social media channels and at [foe.com](http://foe.com) as we cheer on Corey and Justin in their quest for a NASCAR Cup Series championship.**

## THE GRAND WORTHY PRESIDENT'S PROJECT

### James Cancer Center at OSU

If you look around any room, you're likely to find at least one person whose life has been directly impacted by cancer. For Grand Worthy President Rick Powell, that person was his wife, Alma. For that reason, Rick has selected Ohio State University's James Cancer Hospital as his special project for the year.

Rick's funds will be split between pediatric cancer research and the new Proton Therapy Center, which

has the ability to reduce weeks of intense radiation treatment down to a few seconds.

You can support GWP Rick Powell's special project by sending a check made out to FOE Charity Foundation with GWP James noted in the memo line. Checks can be mailed to the Grand Aerie Headquarters at 1623 Gateway Circle South, Grove City, OH 43123.

## THE GRAND MADAM PRESIDENT'S PROJECT

### Spinal Cord Injury Fund

At the age of 19, Grand Madam President Elaine Regi's son suffered a debilitating spinal cord injury that left him paralyzed from the waist down.

Now, Elaine is dedicating her year to helping individuals battling similar circumstances as she raises money for her charity, the FOE Charity Foundation Spinal Cord Injury Fund.

Funds raised by Elaine will be used to help fund research and/or equipment to assist individuals with spinal cord injuries.

To donate, make checks payable to FOE Charity Foundation with GMP Elaine in the memo line. Checks can be mailed to the Grand Aerie at 1623 Gateway Circle South, Grove City, OH 43123.

# KEEP COMPLIANT

## By Following These Simple Steps

Compliance is the key to maintaining a healthy Aerie and Auxiliary. To ensure you're in full compliance with the Grand Aerie, make sure your Aerie/Auxiliary has submitted the following to the Grand Aerie.

- Entire policy for General Liability Insurance with the Grand Aerie named as Additionally Insured.
- Bond or Employee Dishonesty coverage
- Liquor Liability Insurance
- Signed 2022 Affiliation Agreement
- 990 filed for Fraternal Year ending on May 31
- Per Capita Tax, Membership Fees, Supply Invoices and Dues Reminders Invoices paid in full to date
- Auditor & Treasurer Reports
- House Rules Submitted to the Grand Secretary's Office.

### STAY ACCOUNTABLE

The Grand Aerie's Member Management System (MMS) includes Compliance functionality. Ask your Local Secretary for a copy of your Club Compliance Data Sheet to see whether your Aerie or Auxiliary is in compliance or what you need to do to reach full compliance.

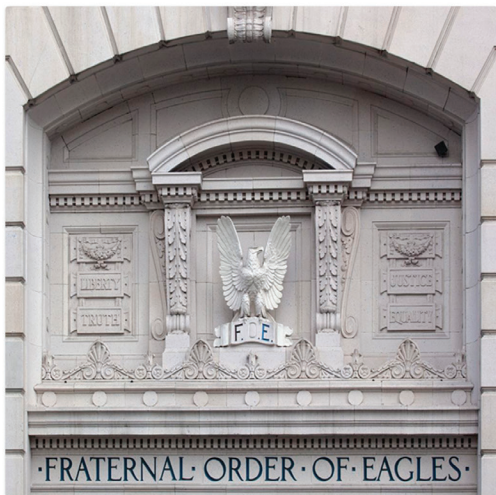

All members have a right to know their officers are keeping up with the duties of their positions. By holding each other accountable, we can ensure nothing slips through the cracks.

# MEMBERSHIP LEADING THE WAY

from Grand Aerie  
Membership Coordinator  
TIM HOYT

## Brothers and Sisters,

**B**y the time you're reading this, we'll either be a Net Gain Organization for the fourth time in the last five years or we'll be days away from reaching that goal.

What an AMAZING achievement! Congratulations to all of you.

But our work is not done! Our 2% goal is well within our reach and we must continue to work hard over the next 4-6 weeks to get us over the line!

We have made tremendous strides over the last six years, and though COVID tried to stop us, it only briefly slowed us down. That determination is why we continue to see our numbers grow.

As we begin to focus on the 2023-2024 fraternal year, we should take a strong look at raising our 2% goal to 4%.

We've shown the ability to recruit and increased our retention efforts. We hit our 2% goal last year, came extremely close the year before and could very well hit it again this year.

You have shown the ability to do more. And with the ability to do more comes the right to expect more.

Our momentum is stronger today than

it's been in more than three decades. There is no better time to buckle down and push ourselves to continue increasing our numbers.

The Grand Aerie Membership Department is determined to provide you with the tools you need to succeed. We've tried to spark competition for new members with our proposer charts. We've created invite cards to make it easier to welcome prospective members into our Aeries and Auxiliaries. We've refocused on New Aerie/Auxiliary creation and produced several brochures for your use.

We've also worked to grow our member benefits by adding Lenovo, UPS and General Electric to our stable as well as brought you extra revenue through the Shop for FOE program.

Continue to focus on retention the next two months and use our tools to help so you can watch your club Soar! Like I always say, "If It Is To Be, It Is Up To Me." Keep looking up, have a great day, and I'll see you where Eagles fly.

## Thank You!

Tim Hoyt  
Membership Coordinator

# RECRUITMENT & Retention

TELL THE  
WORLD  
WHO  
we are.

## Tell Our Story

Don't be afraid to let people know who the Fraternal Order of Eagles is and what we do for charities across the United States and Canada. Often times, we're hesitant to praise ourselves for the work that we do. It's important that we let others know how much money we raise for charity and the work we're doing through the FOE Diabetes Research Center. If we won't promote our accomplishments, nobody else will. So reach out to friends, family, local newspapers, radio stations, tv stations, etc., and let them know about the strength and kindness of the Fraternal Order of Eagles.

## Ask Questions

The most important piece of knowledge a person can have is that they don't know everything. When we stop learning, we stop growing. Make it a point to learn as much as you can from others. Finding out what works for other Aeries and Auxiliaries can help your own club grow. Learning more about different officer positions and expectations can help you make sure others are responsibly carrying out their duties and keeping our Aeries/Auxiliaries safe and sound. This year, make it a point to ask questions and expand your Eagle horizons.

## Listen To Your Members

Each year, tens of thousands of Eagles leave the organization because they feel like their voices aren't being heard. A simple conversation can completely change the trajectory of your membership efforts. Make it a point to listen to your members and address problems before they become bigger issues. Adapt to the needs of your membership and make their voices feel heard to ensure your retention numbers are strong. Sometimes we can fall into the trap of taking our members for granted. Make sure you're always willing to lend an ear and make someone feel recognized.

## Keep Informed

At the end of the day, it is our responsibility to make sure we stay informed about the latest happenings in the Fraternal Order of Eagles. Read your color Soar, visit [foe.com](http://foe.com), follow our Facebook page and pay attention during your various conferences and workshops to make sure you're fully informed. The information you need to succeed is out there for you. Don't wait for the information to come to you. Seek out updates and guidance and watch your Aerie or Auxiliary race to success quicker than ever before.

# IMPORTANCE OF RITUAL

Written by | Brian Rogers

**B**y Jr. Past Grand Worthy President Brian Rogers Tradition can be defined as; thinking, behaving, or doing something that has been used by the people in a particular group, society, or fraternity, for a long time. In the Fraternal Order of Eagles, our traditions and rituals depict the fabric of our culture, shape our opinions, and pass along our principles and values to our future members.

The mystery that accompanies our ritual during initiation helps to create a bond where promises are shared, oaths are recited, and sacred responsibilities are pronounced and accepted. Newly initiated candidates will have a sense that all initiated Brothers & Sisters are on the same page and there is no need to start from scratch in ascertaining each other's values.

Public declaration of an inner commitment is another integral part of our rituals and the commitments that are made during the ceremony of initiation solidify the belief that

when a candidate commits orally, he is more likely to honor that commitment.

Rituals, like the rules of any sport, serve to facilitate the action. Without them, the game would devolve into chaos and lose all meaning. When we open and close our regular meetings and initiate in form we create an atmosphere that enhances our values and principles, builds trust between brothers and puts us in the proper frame of mind for making the decisions that will affect the future of the Fraternal Order of Eagles.

## HOLDING PROPER INITIATION

All members **MUST** be initiated through the full Ritual ceremony. There are no short-form versions of the ceremony. If you have not been formally initiated, you are not considered an official member of the Eagles and could be denied benefits through the Memorial Foundation in the event you were to perish while on the job.

Make sure your Aerie/Auxiliary is properly initiating candidates and if you haven't been formally initiated, ask your Officers to conduct a Ritual ceremony to ensure you don't lose out on valuable benefits of Membership.

## Providing the tools to HELP YOU SUCCEED

The Grand Aerie is dedicated to providing in-person training as often as possible, but we realize we can't be everywhere and sometimes, our members don't have the free time to make it to one of these sessions.

For that reason, the exact training courses performed by Grand Aerie staff during our on-site training seminars are available as downloadable Powerpoint presentations and in PDF form on [foe.com](http://foe.com).

If you can't get to one of our classes in person, visit the Training page to find out the latest and most in-depth information about officers duties, Secretaries duties, Mediation and Trial Procedure processes, how to run a fiscally sound Aerie and more.

We will continue to update the F.O.E. Training page as new courses become available. Visit the F.O.E. Training page today to learn more about how you can stay on solid ground!

## HURRICANE RECOVERY

On September 28, 2022, Eagle Village was hit by Hurricane Ian, causing most of the village to lose power for several days.

The village had many downed tree branches, with several trees split or knocked down. Several units suffered shingle loss and as a result, saw significant water damage.

In the time since, many Eagles have donated to help offset the cost of the repairs, which are still underway.

If you're interested in helping, donations can be made to Eagle Village, 1623 Gateway Circle South, Grove City, OH 43123.

# EAGLE VILLAGE

## Our Beautiful Florida Retreat

Written by | Zack Timmons

In the heart of beautiful Bradenton, Fla., sits one of the gems of the Fraternal Order of Eagles - Eagle Village. Active senior members of the Eagles can spend their golden years in the Florida sun at this exclusive living community, located just minutes from the beautiful beaches of the Gulf of Mexico.

Eagle Village is for members ages 55-and-over who have at least 10 years of membership and are semi-retired. The property hosts several one-bedroom cottages with central heating and air, while the grounds include a private well-lit path for walking or

bike rides, a pool, gym, a three-acre lake, shuffleboard court, tiki hut and a brand new recreation center.

The beautiful new rec center was completed in 2019 and includes pool tables, a full kitchen, a brand new patio and hosts village residents for regular dinners and social events.

If you're near retirement and looking for a vibrant community to share your love for the Eagles and enjoy a warm, sunny climate, contact Eagle Village at [eaglevillage@foe.com](mailto:eaglevillage@foe.com) for more information how you can get your name on the list for one of our cottages.

**State Madam President's Visit a Success**

SPARKLES AND BLING...and that it was. Our Gold and Black affair (thank you Maria!) with balloons surrounding the room, tables decorated to the hilt... What a beautiful site!

We were honored to host the California State Madam President Terri- Nutt Castro from Woodland auxiliary on Monday evening, October 17, 2022.

A bit of her life, her response, and presentations were made at the dinner, along with a special presentation from Club 494 by President Danny Collins of \$500.00 to her special charity. South Gate Auxiliary Chaplain Sharon White was presented with her Chaplain's pin by California State Auxiliary Chaplain Beth Vissers. We were honored to have our California State Aerie President Tony Villanueva in attendance. Dinner was fabulous prepared by brother Hugh and assisted by Danny and Lisa Collins. Initiation by our Past Madam Presidents with our Vice President, Susanna Medina at the reigns did an outstanding job. We initiated the following 6 candidates: Kimberly Sharp, Andrea De La Rosa, Rosie Pineda, Claudia Rosales, Caroline Gonzalez, Mayra Gonzalez.

**SO MANY THANK YOU'S.**

We thank Bellflower auxiliary for attending along with 11 state auxiliary officers and past state presidents. And from South Gate, Dyllan, Alma de la Rosa, Maria, Annalisa, Santa, Linda Matheo, Lisa Collins, Lupe, Virginia, Andie and Sharon. To our sister that stepped right up when they saw help was needed, we thank you so much and ALL the sisters who attended and assisted in any way. The activities ended with raffles, opportunity drawing, centerpieces and baskets And MISS CARMEN was so VERY VERY lucky! As we are a 94 year old auxiliary, the oldest in California and still going strong and so very active in the District and State and bringing in new members proves

# FINANCIALS A look into the fiscal year

- The Grand Aerie continues to operate within the budget approved by the delegation. The one-time per-year Per-Capita Tax will be calculated on June 1, 2023 at \$12.00 per-member. There is still uncertainty in the upcoming fiscal year associated with the economy. Inflation is high and taking a toll on everyone, including our Aeries and Auxiliaries. The \$12 Per-Capita Tax paid to the Grand Aerie doesn't go as far with costs rising as they are, but we must be diligent with expenses while still growing the organization. We must invest in membership, marketing and training. Those are the keys that will grow the FOE.
- Over 85% of revenue received in the Grand Aerie comes from Per-Capita Tax and Membership Fees, which illustrates how important Membership is to our organization.
- Eagle Village, the charitable retirement community located in Bradenton, Florida, has an outstanding loan balance on the new recreational center of \$432,504. Donations are primary source to pay off the loan.
- We must continue to fundraise for the DRC so we can find that cure! The goal was to find a cure for diabetes and that goal is not yet finished.
- The By-Laws of the Fraternal Order of Eagles Foundation have been updated to allow for the ability to change grammar and spelling issues that doesn't change the intention or purpose of the By-Laws and will be presented at the 2023 International Convention in Reno, Nevada.
